

After the passing away of King Vijaya,  
his brother's son Panduvāsudeva  
who came from India,  
became king.  
His queen was Baddhakachchāna.

They had ten sons, and one daughter.  
The eldest son was Abhaya  
and the daughter was Chitrā.

A court astrologer predicted that one day,  
Chitra will bear a son,  
who will kill all his uncles  
and become king. The sons of  
King Panduvāsudeva were worried.
